April Showers: New Shower Scents to Lather Up With

POSTED APRIL 26, 2015

There are some great ways to get a little me time this spring. Now that spring weather finally here, it's time to lighten up your shower scents. Who doesn't love a fresh scented bath time?

New from **Caress** the very first Fragrance released body wash . Showering releases the fragrance beads in two new scents created by an actual perfumer .Each touch of the skin releases fragrance up to 12 hours of sweet smelling skin. Lather up with one of 2 scents Love Forever or Adore Forever!

So you haven't gone on that big vacation yet but you can get taken away with the **Calgon** passport from Japan to Paris .Create your own international spa with a glass of your favorite wine is the perfect way to unwind. Calgon and Champagne girls will love Tahitian Orchid with a glass of your favorite bubbly or Cava or take a Parisian Charm escape with a glass of cabernet. Travel around the globe without leaving your bath spa.

I love these for a morning pick me up. **Dove** introduces the new Fresh Collection of body wash ,and soaps. Dove go fresh collection is available in Revitalize (delicious mandarin) Dove Go Fresh Restore(luscious blue fig and orange blossom) Dove go fresh Cool Moisture (soothing cucumber/green tea) and Dove Go fresh Revive (lemon verbena). Find all the delicious details on Dove’s new scents [here](#) My favorite Revitalize has smells like an awakening fresh orange zing.

Nabila K Body Scrubs

For natural bathing experience I’ve come across a fantastic line natural bath scrubs during the International Beauty Show in NY. Nablia K was developed with no sulfates, parabens, mineral oil or animal testing. The line includes four body scrubs made from sugar to slough off all that winter skin. Their latest [Wine Body Scrub](#) is detoxifying and helps heal, and leaves sweet scent on your skin. The Wine body scrub is infused with relaxing elements of Red Burgundy and Merlot wines, reservation for anti aging. Nabila K bath, skincare, and body washes have been on the shelves since 2010 and is sold exclusively at [Nabila.com](#)
